01 GENERAL CONDITIONS

- Any deviation from, or inability to meet, the specified requirements must be communicated in advance. Examples include alternative equipment setups or substitutions.
- The Promoter agrees to provide all equipment, infrastructure and technical support necessary for the performance as described below.

02 EQUIPMENT REQUIREMENTS

ITEM	REQUIREMENT
CDJs	Minimum of 3x Pioneer CDJ-2000NXS2 or newer, properly linked.
Mixer	Pioneer DJM-900NXS or DJM-900NXS2.
Monitoring	High-quality monitor speakers must be provided for the DJ booth.
Sound system	A powerful, high-quality system with sufficient bass amplification, meeting international standards.
Technician	A qualified sound technician familiar with the venue's sound and lighting systems must be available during both the soundcheck and the performance.

03 DJ BOOTH REQUIREMENTS

- The booth must comfortably accommodate at least two people.
- An elevation behind the booth is required for proper visibility and positioning.
- A sturdy table or equivalent storage at hip height must be placed near the booth for equipment and personal items.

04 STAGE AND PERFORMANCE ENVIRONMENT

- Live performance (if applicable): a stable, well-lit stage is required.
- Lighting effects: during the final tracks, lighting should reflect the artist's image, in blue tones.
- On stage: cold water must be available during the performance. If the venue is expected to be warm, a fan directed at the booth must be provided.

05 SECURITY AND EQUIPMENT SAFETY

- The Promoter is responsible for the safety and security of all equipment, sound media and personal belongings of the artist throughout the event.
- A secure, lockable space near the stage must be provided for valuable equipment and personal items.
- The Promoter is liable for any loss, theft or damage to the artist's equipment or belongings and must hold adequate insurance to cover such incidents.

06 SOUNDCHECK AND PLANNING

- A dedicated soundcheck slot must be scheduled, with sufficient time for testing and adjustments.
- The sound and lighting technician must be present during the soundcheck.

07 COMPLIANCE AND LIABILITY

- All technical and planning requirements must comply with the agreement between Feral Agency and the Promoter.
- Any change to this Technical Rider requires prior written approval from Feral Agency or the artist.
