

LUMINE

AKA Jesse Klinkhamer

Lumine, meaning “light” in Latin, is a 20-year-old Dutch artist making music rooted in emotion. With 100,000+ followers and a debut single on Epic Records (Sony), he’s quickly rising. His track “Don’t Worry” charted in six countries, hitting #21 on the UK Viral Top 50, while his sound gains traction on Sirius XM and Spotify’s Best of 2024, 360 Dance playlist. In 2025, he made his sold-out ADE debut with a 3-hour set. Now moving toward a faster, club-focused sound, while keeping the emotional core that defines him, he’s just released a viral new version of “Ode to the Bouncer”, now an official collab with Studio Killers.
